About SVEW:

SV Engineering College for Women (SVEW) is part of the SV Colleges group established in 2009 with a vision to become a leader in providing quality educational services. The college has a goal of evolving into a hub of academic research. The college is affiliated to JNTUA and approved by AICTE, New Delhi. The College offers UG Courses (ECE, EEE, CSE, IT) & PG Courses (DSCE, VLSI, ES, CS, CSE, PS). The campus is equipped with state of art Laboratories and classrooms with LCD Projectors to make Teaching and Learning simpler and enjoyable. The central library has a large collection of books, journals and online resources for the benefit of students and faculty. SVEW provides a vibrant and diverse residential learning community where highly talented women and those with uncommon potential from many cultural and religious backgrounds can grow both intellectually and personally.

About Tirupati:

Tirupati is located at 13.65°N 79.42°E in the Chittoor District of South Indian State of Andhra Pradesh. It lies at the foot of Seshachalam Hills of Eastern Ghats which were formed during Precambrian era. One of its suburbs Tirumala, which is the home to Sri Venkateswara Temple, is also located within the hills. Tirupati Urban agglomeration includes Tirupati (City) and its suburbs Tirumala, Tiruchanur, Chandragiri, Renigunta. Tirupati is surrounded by Srikalahasti towards the East, Puttur towards the South, Poothalapattu towards the west and the Seshachalam hills towards the North.

About the Conference:

The ICACS-2017 will feature original research and industrial papers on the theory, design and implementation of the emerging technologies in Communication Systems, Microwave Engineering, Electronic Systems and Signal Processing. Furthermore, it will enable the researchers in the various domains to foster the exchange of concepts, prototypes, research ideas and the results of research work, which could contribute to the academic arena and benefit business and industrial communities.

Objective:

The objective of this International Conference is to provide an opportunity for scholars and faculty to interact with leading researchers in Advanced Communication Systems. The conference includes invited talks from experts in related areas from reputed institutions.

Conference Topics:

Communication Systems

- ◆ Telecommunications
- ◆ Mobile and Wireless Communications
- ◆ Satellite and Space Communications
- ◆ Coding and Information Theory
- ◆ Optical Fiber Communication
- ◆ Data Communication and Networks

Microwave Engineering

- ◆ Microwave Devices Design & Techniques
- ◆ Field Theory
- ◆ Antenna Design and Applications
- ◆ Radio Frequency (RF) Signals
- ◆ Microwave and Millimeter Wave
- ◆ Microwave Tubes, Cyclotrons, Klystrons

Electronic Systems

- ◆ Advanced Semiconductor Devices: Microelectronics / VLSI Design
- ◆ Analog and Mixed - Signal Design
- ◆ Low Power Design
- ◆ System Design Synthesis and Optimization
- ◆ Real Time Embedded Systems, FPGA, Reconfigurable Computing Systems,
- ◆ MEMS / NEMS Devices

Signal Processing

- ◆ Analog and Digital Signal Processing
- ◆ Image, Audio & Video Processing Analysis and Applications
- ◆ Biomedical Signal Processing & Applications
- ◆ Computer Vision, Machine Learning, Pattern Recognition

Submission of Papers:

We take great pleasure in inviting Teachers, Research Scholars, Authors to the ICACS-2017, to participate in conference and publish articles.

The papers should be original and unpublished research work. The paper prepared must be in accordance with IEEE format and maximum size of 6 pages. The paper should be sent in Microsoft Document format (.doc or .docx) to the mail address mentioned above. During the time of conference, at least one of the authors must register & should be available for presentation.

All the accepted articles will be published in conference souvenir with ISBN, A copy of which will be given to each participant. All Submitted manuscripts will be scrutinized for peer review and outcomes will be notified to the respective authors. All the selected papers will be published in Scopus indexed Journal. The details related to publications and special issues will be updated in website. www.svcolleges.edu.in
